**\*All students must have a gmail address for the use of Google Docs and Google Drive OR a flash drive to leave at school.** We recommend parents monitor activity in email and encourage students to use gmail for school purposes only. In addition, some students like to bring a Chromebook or laptop to school during **specified** work sessions. This is not required and laptops do not need to be at school everyday. They are acceptable during project work time, writing periods, or work (aka "office") days. If you have any questions about this, please email Ms. Becky at [becky@peacefulpathwaysmontessori.com](mailto:becky@peacefulpathwaysmontessori.com)
